Hi Alex! How is it going? I'm planning to go shopping on Saturday. I asked to come my sister, but she denied. If you have not any plans that day, I would like you to come with me. You moved to the building near City Mall, so am I. Also all the things I need I can find there, and we could have a good time together.

I will be waiting for you on the second floor near shop HM. At 5 o'clock.

So, you can ask why do I need to go shopping all of a sudden. I have lost my favorite jeans and I need an another one. At least, my zip hoodie is very old-fashioned, so I'll buy a fashionable new hoodie I wanted for a long time. On Sunday my mother's birthday. She turns 43. I want to buy her a gift. She deserves expensive, incredible and fascinating gift. I hope you'll help me to choose something.

I really want you to come. I'm afraid I can't choose gift for my mom on my own. And I need your help. We can have a lunch in City Mall. It'll be on me. Hope you're not forget. Bye.

To: Alex  
 From: Zhansaya.

Hi! I am really glad to receive a letter from you. It is a great news! I am happy for you! Why did not you send me a photo of house too?

Where is your new house located? Oh! I recommend you to get a dog. You can play with it in your new garden.

What about me? My house located in suburbs. We also have a garden. My uncle very keen on gardening.

We got a dog recently. Now it lives in house, but soon, when spring comes, he will live in doghouse at the backyard.

I would say, it is not similar to my dream house. But it is close to it. I would like to change a location of house from suburbs to sea side. Isn't it amazing to wake up and at the moment see the sun, sand and sea?

However, I would not like to change anything more. What about you? What would you like to change?

I will wait for your answer.

With love, your online friend.

Hi, my dear friend! How is it going? I think that's great that you and your family have moved to a new house. Do you like it? I'm glad for you. I want to see your garden. I'm sure it's such a cute place. I also live in quite small flat with my family. I can't say that it's similar to my dream house, but it's really comfortable place to me, where I always want to come back. Actually, I would like to change everything. Recently my parents told me that we will move to a new apartment. I was happy to hear it. I am planning to create a new design for my own bedroom. I believe, after that my flat will be similar to my dream. Although, I don't have a garden I know that it's wonderful place to creating and relaxing. I have unforgettable memories about my grandmother's garden. What about your dream house? Please tell me about your bedroom design style, because I'm curious about it. Can you send me your garden's photos? I will waiting for it. Bye!
